

Surface Water Supply Project Re-Pump Station

Logos for the North Fort Bend Water Authority and the Surface Water Supply Project. The logos include a water drop icon and a water treatment facility icon.

SURFACE WATER SUPPLY PROJECT

Legend, north arrow, and scale bar. The legend identifies the blue line as 'Surface Water Supply Project - Waterline' and the green area as 'Pump Station Boundary'. The north arrow shows cardinal directions (N, S, E, W). The scale bar indicates distances of 0, 500, and 1,000 feet.
